Q. Okay, I have registered - now what?

A. Please check our website regularly - we will be posting information on the website regarding the start of the season, in mid to late August. You will also receive emails as information is finalized and available.

Q What night/date/time/location will be child be playing?

A. We will not know the schedule until late August/early September. We understand it makes it difficult to plan other activities for your child when you don't know their hockey schedule. Unfortunately there are a lot of moving parts and it takes time after registration closes and all payments are received and cleared (after September 1st), for us to get the schedules organized and approved.

Q. The hockey season begins in two (2) weeks and I have not heard from a Coach or Manager to let me know when my child begins playing?

A. We strongly encourage you to check our website regularly for schedule updates and information.

You will also receive communication via email from the webmaster.

Once your child has been assigned to a team, regular email communication will commence between you and your Coach/Manager.
