

Minto Minor Hockey Player Identification Consent Form

Please be advised that during the hockey season your child will be involved in a variety of hockey activities that could result in his or her identification. Some examples of these activities may include:

- The media will occasionally be invited into the arena to photograph, publicize and publish hockey events such as tournaments, regular and play-off games, award banquets etc.
- Photographs, names and anecdotes may be used in fundraising events.
- Minto Minor Hockey is utilizing a software program that can make certain personal information available over the Internet when a user accesses the site. The site is used for game scheduling, and displays player rosters and some other information. (mintominorhockey.ca).

These items include:

Team with which the player is associated

- Player name
- Player birth year
- Player picture

We require your consent in order for Minto Minor Hockey to disclose/share this information.

If you have any objections to your child being identified while participating in a hockey program, please contact Minto Minor Hockey Executive directly in writing.

- If there are no objections to your child being identified while participating in a hockey program, please sign the form below.

I understand that it is my responsibility to keep Minto Minor Hockey advised of any changes to this consent.
